## Using the Find and Apply Portions of Grants.gov

- Register with Grants.gov
- Learn to search for grant opportunities
- Download an application package
- Work on an application package offline
- Submit an application to Grants.gov

### 2(a). Register with Grants.gov

- Grants.gov requires the applicant to be registered
- To begin registration,
  - ◆ Go to http://www.grants.gov
  - Select link which says "Get Registered" on the red tab on the left side of the homepage
- If you register as an organization, you need to take the following steps, which are located on the webpage:
  - ◆ Register with the Central Contractor Registry (CCR) it's here where you determine the E-Biz POC and where you get your DUNS number (1-866-705-5711)
  - Register with the Credential Provider for Grants.gov, Operational Research Consultants (here, the E-Biz POC will select AOR for the organization. Must already be registered with CCR. AOR will get User ID and password)
  - Register with Grants.gov

## 2(a). Register with Grants.gov, (Continued...)

- If you register as an individual, you need to take the following steps:
  - ◆ Register with the Credential Provider
  - ◆ Register with Grants.gov
- Important Note: These are the only two steps if you register as an individual. Individuals do NOT require a DUNS number or to be registered with the CCR.

# 2(b). Search for Grant Opportunities at http://www.grants.gov

Once at the home page, click on "Find Grant Opportunities" in the red-tabbed section.

- Click "Search Grant Opportunities"
- Click "Basic Search"
- In section "Search by CFDA Number," type 11.800.
- This is the CFDA number for MBEC and will lead you to the opportunity.

# 2(c). Downloading the Application Package

- You have reached the Federal Funding Announcement (FFO) for MBEC.
- After reviewing the synopsis on the FFO, click on "How to Apply."
- IMPORTANT NOTE: In red link, you will see that you must download Pure Edge Viewer to see forms. Link will lead you to area for downloading.
- Under "Instructions and Application", click on the link entitled "download."
- Then click on the links for "Download Instructions and Download Application Package."

# 2(c). Downloading the Application Package – (Continued...)

- Make sure to print out the instructions.
- On the other link, the Application will come up with all necessary forms under the heading "Mandatory Documents."
- Click the "Save" button at top page next to submit button, and you will then save to your computer wherever you like (desktop, c drive, etc.).

# 2(d). Downloading the Application Package – Continued..

- Make sure to print out the instructions.
- On the other link, the Application will come up with all necessary forms under the heading "Mandatory Documents."
- Click the "Save" button at top page next to submit button, and you will then save to your computer wherever you like (desktop, c drive, etc.).

## 2(d). Working on Application Offline

- At this point, you're offline, and can complete your application package.
- Click on a form, starting with SF-424, and then select open form.
- After completing a form, slide it over from Mandatory Documents to Mandatory Completed documents for Submission.
- Once all forms have been completed and moved to proper column, the "Submit" button will illuminate, provided there are no errors (there is a button which checks for errors).
- When you click the submit button, an interface is established between the document in your hard drive and Grants.gov

# 2(e). Submission of Application

- Type in User ID and password to Grants.gov assigned when registering with Credential Provider.
- Remember: Person submitting MUST be Authorized Online Representative (AOR). If anyone attempts to submit the application, it will be sent back to the applicant.
